

# Calling All Writers!

NDA is starting a student newspaper at Okell. We are looking for student writers in grades 6–8 who are interested in contributing to our school newspaper. Please join us at our first meeting on Wednesday, October 4th from 2:15–3:00 in Mrs. Grew’s classroom. At this meeting we will discuss what we would like to include in our newspaper. We will also listen to ideas from students, so be sure to think about your interests and how you can contribute to the newspaper.

If you are unable to attend this meeting, but you would still like to contribute, please join the NDA Newspaper Google Classroom (see Mrs. Grew for the code). Students are welcome to write and submit articles even if they are unable to attend meetings.
