

NDA PTO Notes 10-6-25

- Prayer, board introduction
- “Lock-In” w/homeless man entry attempt, intervened by BPD. Updated today we found we are to get at least 1 armed guard in a matter of time. Hopefully 2 though.
- Trunk/Treat-utilize 8th graders if possible to help set-up & support activity tables (srvc hrs). Need parent volunteers to sign-up to also relieve 8th orders for dance attendance. Cash prizes for trunk creativity via QR code by way of people’s choice. Dog’s, chips, drinks avail at family friendly prices. Olmstead Block Club donating cider & doughnuts. Mercy hospital “fun committee” will be present to interact and donate candies to the students too (very grateful for this).
- Book fair-prod arrive 1wk early (stgd in main hall) but will find its way to a far crnr of gym on Sun 10-19 @1000; 8thgrd & Timon boys will be avail for trans/set-up. Active sales are 10-20 through 23rd. 24th no school. Mid-school will have 1 chance on Wednesday after Char Ed mass. A few more sign-ups would be very beneficial still; as well as a teacher sign-up block to prevent too many students at the fair but to inform volunteers of which/whom classes are potentially showing up.
- Meat raffle-(PTO & 8th grd fundraiser) proceeds will be divided for 8th grade dues of families that donate \$30-50 baskets. Still need more sign-up volunteers.
- Oct Teach Apprec/Cnfrnc-(Both campus’) light drinks/snacks presented toward end of day (2ish) to include apples, cutters/toppings, popcorn, trail mix more ideas? I ponder if say Doc’s/Brick-oven would be willing to donate or discount basic salads/sides (not pizza) to also help fill hunger for teachers. What about

bagel (cream cheese)/reg old fashion doughnuts & coffee for Fri morn appointments (08-12)?

- 5 mid school students to attend trivia contest at Park on 10-17
- TBH and I'm so very sorry, but I zoned out for the "candy bar bingo" event.
- X-mas Extravaganza- Vendors access to gym/cafeteria early Sat morn. Dancers to utilize PK hall and bathrooms to change, keep warm, stow belongings, etc. Which we need to block off for them as well as cover up camera's or disable recording for the day. Utilizing kinder classes for activities need to be prepped and cleaned after event on Sunday. We also had 8+/- faculty sign-up but only 1 or 2 actually partook in the event. Pic w/Santa and the misses? (Last years looked and seemed amazing.) Workin on sleigh rides. In regard to the "Angel Tree" the board believes we may need more help/communication from Mrs.' Brennan/Keller to help speak w/families whom we feel may be too humbled to ask for help.
- Merry moose/Cath school week will be addressed in upcoming meetings. Other than MM is specifically for elementary campus w/ volunteers needed as well.
- High School open houses prepping for HS transition, but forgot to mention tuition grants.
- Bathroom vandalism at both campus'
- Business manager opportunity
- PTO Facebook page communication & acknowledgement/promotion
- Forgot to say mention of wanting to see and invite more male role models to get involved.
- Today's paid dress down will be added to end of schedule (late Nov).

I think this is it! A bit long, but wanted be thorough.
