### **PRE K-3 POTTY TRAINED AGREEMENT**

**(Student birthdate must be on or before 12/01/2022)**

At Notre Dame Academy we ask that all children entering the 3 year old class be potty trained. This is an exciting time for you and your child because they are becoming more independent and learning how to make their own way in the big world. We understand that accidents happen and are to be expected. We ask that you send a complete change of clothes (shirt, pants, underwear, socks, shoes) in a labeled Ziploc bag on the first day of school. Our process for dealing with an accident will be to help your child change into clean clothes and let you know at the end of the day. If your child has multiple accidents a conference will be held with the child's teacher and the principal to discuss whether or not they are truly ready for school.

- Accident: something that happens two or three times in a school year
- Multiple Accidents: more than once a week

If you are unsure if your child is truly potty trained ask yourself, does my child wear underwear, does my child have an accident every day, does my child go to the bathroom without me asking, does my child have their bowel movement in the toilet? If you cannot answer these questions with a yes they might need a little more work.

I have read and agree with this policy.
